

Liverpool Elks Lodge #2348 recently held its annual Veterans Fishing Derby on the scenic Seneca River. 18 veterans from the long term care floor of the Syracuse Veterans Affairs Medical Center came to the lodge for an afternoon of fishing and socializing. They were also treated to a delicious summer picnic consisting of BBQ chicken, kielbasa and sauerkraut, hamburgers, hot dogs, beans, homemade macaroni salad, upstate NY's famous salt potatoes, fresh fruit and cake. Upon leaving with full bellies and large smiles all were given a patriotic shirt to wear.
