

Liverpool Elks Lodge 2348 recently held a fishing derby for residents at the Syracuse NY VAMC. Over 20 men and women were bussed from the VA to the lodge on a beautiful summer afternoon. Each one were given a fishing pole and bait. Everyone that fished was satisfied with their days catch and release. Afterwards, they were treated to a delicious BBQ and dessert. Upon leaving, each were given a patriotic shirt

to take back to the hospital.
